

Anshul Raj Singh

Indian Statistical Institute, Bangalore Center

✉ bmat2405@isibang.ac.in 🔗 Anshul.Math

Education

Bachelor of Mathematics (Hons.)

January 2025 - Present

- Indian Statistical Institute, Bangalore Center. Completed the first 2 years with cumulative aggregate: 86.6%.

Academic Experience

Reading Project in Representation Theory of Finite Groups

December 2025

- Completed a reading project under the supervision of Prof. Manish Kumar at Indian Statistical Institute, Bangalore.

Research Experience

On a square packing conjecture of Erdős, arXiv:2601.22163

January 2026

- Mentioned on Erdos problems website <https://www.erdosproblems.com/106>

Mathematical Interests & Technical Skills

Mathematical Interests: Algebraic and Analytic Number Theory, Combinatorial Geometry, Real Analysis and Fourier Analysis.

Programming: Python (Matplotlib, Pygame), R.

Tools: Jupyter Notebook, $\text{\LaTeX}$.

Honors and Awards

- Qualified Regional Mathematical Olympiad (RMO), 2023.
